AUGUST 2020

One Word By Vicki Collier

If you had to think of one word that could possibly change your life, what might that be?

I was given a book from Bruce Deel that is called One Word. We used it in a group setting with other pastoral peers. We were asked to read the first couple of chapters and think about a word that we thought could help change our lives. The word I adopted for that year was "tuned". I felt like I needed to be more tuned into God's word. I kept that word visible in my church office as a reminder to stay tuned into God. In December 2019, with 2020 quickly approaching, I pondered on that One Word once more.

When the word comes to you, you will know it is your Word. For 2020, the word "Redeemed" stuck in my brain. Jesus said, "I have called you by name, you are mine" (Redeemed). Again, this word was placed on my wall for me to look at daily. This has been a great way to stay focused. I know its halfway through 2020 but start thinking on a word that could help you and possibly change your life. Study on that word and see where it takes you. This will be your Word, own it, share it, and live it out daily. It says in the book, when looking for your One Word to prepare your heart by looking in. Discover your word by looking up and live your word by looking out. So, Look In, Look up, and Look out.

If you are interested in borrowing my book, let me know. It is a quick read. Let us all find our One Word and when you find it, live it and share it. Your life will become more exciting and purposeful than ever. I have already got a word that has come to me for 2021. I Can't wait for great things to come for all of you.

Thank YOU!

This season has brought about much change, not just for our local church body, but THE church as a whole. We wanted to simply take a moment and say thank you to each and everyone one of you. Whether it has been serving within the church, checking on our congregants, embracing change, continuing to partner in giving or just being a shining example to our community...THANK YOU! It is during times like these in which Jesus' love can shine the brightest if you are a willing vessel and that is exactly what you each have been. Hopewell is a brighter place for it. Continue to shine, continue to invite people to join us in church either physically or online and if you and your family are looking for ways to give back and serve, just let us know!

Stephen and Kristen were recently married and are both members here at CPR. Kristen is working with our media production team. Stephen is a good guy who is also a great handyman. Both are excellent additions to our church family. If you see them around, say hello and introduce yourself.
